4. Purposes and Lawful Basis for the Collection, Use, Disclosure and Processing of Personal Data

4.1 The Company Processes your Personal Data for the following purposes and lawful basis (collectively, the "Purposes"):

No.	Purposes	Lawful basis of the Processing
A. For a purpose relating to selling products and services to customers and other relevant transactions		
(1)	For membership registration or customer account opening	- Contractual basis: The Processing of Personal Data of customers is necessary to act in accordance with the customer's request in respect of the registration of new customer or customer account opening. - Legitimate interest basis: Where the customers are juristic persons, the Processing of Personal Data of persons related to the customers is necessary for

		the legitimate interests of the Company in its business operations
(2)	For entering into agreements for sale and purchase of products and services	- Contractual basis: The Processing of Personal Data of customers is necessary for the entry into agreements and other relevant processes. - Legitimate interest basis: Where the customer is a juristic person, the Processing of Personal Data of persons related to the customers is necessary for the legitimate interests of the Company in its business operations, such as the management of contracts, verification of the identity of customers, and consideration of the qualifications of customers.
(3)	For management of customer orders, preparation of products and/or services, and other relevant transactions	- Contractual basis: The Processing of Personal Data of customers is necessary for the performance of obligations in a sales and service agreement to which the customer is a party, such as arranging shipments of products, billing, confirmation of outstanding debt, and the delivery of receipts to the customers, etc. - Legitimate interest basis: Where the customer is a juristic person, the Processing of Personal Data of persons related to the customer is necessary for the legitimate interests of the Company in its business operations.
(4)	For changing information relating to customers and receiving complaints	Legitimate interest basis: The Processing of Personal Data of customers is necessary for the legitimate interests of the Company in facilitating customers to edit their information in order to make it accurate, up-to-date, complete, so as not to cause any misunderstanding, and for the improvement of the Company's services in the case of any complaints or suggestions from the customer.
B. For a purpose relating to procurement with vendors, using services of service providers and other relevant transactions		
(1)	For procurement and the selection of vendors or any other persons having similar characteristics	- Contractual basis: The Processing of Personal Data is necessary for carrying out requests for quotation by vendors, or any other persons having similar characteristics, before entering into a sales agreement, service agreement, or any other agreement relating to procurement by the Company. - Legitimate interest basis: The Processing of Personal Data is necessary for the legitimate interests of the Company in its business operations

		and for compliance with the Company's procurement policy.
(2)	For registering new vendors or any other persons having similar characteristics	- Contractual basis: The Processing of Personal Data is necessary for carrying out the request of prospective vendors or any other persons having similar characteristics for the new vendor registration, including any other relevant transactions. - Legitimate interest basis: Where the vendor is a juristic person, the Processing of Personal Data of any person related to the vendor is necessary for the legitimate interests of the Company in its operations.
(3)	For execution and management of agreements between the Company and any other contractual parties	- Contractual basis: The Processing of Personal Data of the contractual party is necessary for carrying out the request of such party who has expressed the intention to enter into an agreement with the Company. - Legitimate interest basis: The Processing of Personal Data of the contractual party (or any person related to the contractual party, in the event where the contractual party is a juristic person) is necessary for the legitimate interest of the Company in the execution and management of the Company's agreements.
(4)	For performing obligations under agreements made with vendors or any other persons having similar characteristics	Contractual basis: The Processing of Personal Data is necessary for performing obligations under agreements made with vendors or any other persons having similar characteristics, such as ordering products or services, settling debt, paying for products or services, and receiving products or services, etc.
C. For a purpose relating to communications and marketing		
(1)	For communicating with you.	Legitimate interest basis: The Processing of Personal Data is necessary for the legitimate interest of the Company in communicating with you regarding the Company's products and services.
(2)	For public relations and marketing activities of the Company.	Consent basis: Where the Company proceeds with marketing activities, such as sending marketing messages to you, taking photographs or recording video of you in order to process and publicize marketing activities through various channels, the Company will undertake the activities by relying on the consent received from you.
D. For a purpose relating to the analysis of information and the improvement of the quality of the products and services of the Company		

(1)	For analyzing your use of websites, applications, or other media.	• Legitimate interest basis: The Processing of your Personal Data from the use of websites, applications, or other media is necessary for the legitimate interests of the Company in its business operations and improvement of quality of services. • Consent basis: Where the Company collects and Processes your Personal Data in order to analyze your behavior and specifically advertise according to your behavior, the Company will undertake such actions by relying on the consent received from you.
E. For a purpose relating to human resource management		
(1)	For recruitment, job applicant selection, interview, and any transactions in relation to the recruitment process.	• Contractual basis: The Processing of the Personal Data of job applicants is necessary for consideration of their request to apply for a job and enter into the Company's recruitment process. • Legitimate interest basis: The Processing of Personal Data of the job applicants or persons related to the job applicants is necessary for the legitimate interests of the Company in its recruitment process and selection of employees. • Consent basis: The Processing of your Personal Data as a reference person of the job applicants will be relying on the consent received from you. • Consent basis: The Company collects Personal Data of prospective personnel by the Company's own initiative, from third parties, such as recruiters via website(s), whereby the prospective personnel have not expressed their intention to apply for a job with the Company.
(3)	For management of welfare and benefit of directors and personnel, including but not limited to welfare money loan, medical expense reimbursement, discounts for directors and personnel, annual physical examination, insurance, and claims related to insurance	• Contractual basis: The Processing of Personal Data of directors and personnel is necessary for the Company to perform its obligations according to the employment contracts and any other contracts to which the directors or personnel is a contracting party (as the case may be). • Legitimate interest basis: The Processing of Personal Data of directors and personnel and persons related to the directors and personnel is necessary for the Company in its human resources management, such as allocation of welfare and benefit for the directors and personnel and persons related to the directors and personnel. • Consent basis: The Processing of sensitive Personal Data of directors and personnel and persons related to the directors and personnel, such as health information, for the management of group

		insurance and other benefits, will be undertaken by relying on the consent received from the directors and personnel and persons related to the directors and personnel.
(4)	For the purpose of the performance of duty of directors and personnel according to the employment contract, employment agreement, appointment contract, or any other contracts entered into with the Company (as the case may be)	- Contractual basis: The Processing of Personal Data of relevant directors and personnel is necessary for the performance of duty or work according to the scope work specified in the employment contract, employment agreement, appointment contract, or any other contracts to which the directors or personnel and the Company are contracting parties (as the case may be). - Legitimate interest basis: The Processing of Personal Data of directors and personnel is necessary for the legitimate interests of the Company in its business operation and compliance with the applicable laws of the Company.
(5)	For the purpose of salary payment, bonus, remuneration or any other benefits	- Contractual basis: The Processing of Personal Data of directors and personnel is necessary for the payment of wages, salary, bonus, remuneration and/or any other benefits according to the employment contracts and any other contracts to which the directors and personnel is a contracting party (as the case may be). - Legal basis: In some cases, the Processing of Personal Data of the directors and personnel and persons related to the directors and personnel is the performance in compliance with the applicable laws of the Company, such as withholding tax pursuant to the taxation laws, et
(6)	For the purpose of the management of training personnel	Legitimate interest basis: The Processing of Personal Data of personnel is necessary for the legitimate interests of the Company in its training management, such as training registration, preparation of action plan, and allocation of appropriate facilities for the training, etc.
F. For the purpose of compliance with relevant laws which are applicable to the Company and for the establishment of legal claims		
(1)	For compliance with relevant laws which are applicable to the Company	Legal basis: The Processing of Personal Data is necessary for compliance with laws which are applicable to the Company such as, Laws on Personal Data Protection, taxation laws, labour laws, social security laws, civil and commercial laws, public company laws, securities and exchange laws, etc.
(2)	For the establishment of legal claims and any other relevant proceedings	Legitimate interest basis: The Processing of Personal Data is necessary for the establishment,

		compliance, exercise or defense of legal claims in various stages according to the law, such as, investigation and inquiry by government officials, case preparation, prosecution, and pursuit of the case in court, etc.
G. For the purpose relating to security		
(1)	For monitoring, protecting and ensuring the security of persons and properties of the Company and the general public	• Legitimate interest basis: The Processing of Personal Data is necessary for the legitimate interests of the Company in monitoring, protecting and ensuring the security of properties of the Company and the general public. For example, the CCTV footages can be used to prevent loss or damage to the Company's properties and the general public. • Preventing or suppressing danger to a person's life, body, or health basis: The Processing of Personal Data is necessary for the benefit in monitoring, preventing, or suppressing any circumstances which may be dangerous to a person's life, body, or health.
H. Any activities that are necessary and beneficial to you and any other purposes		
(1)	For any transaction that is necessary and beneficial to you or those which are directly related to the purposes set forth above	• Legitimate interest basis: The Processing of Personal Data is necessary for the legitimate interests of the Company in carrying out any transactions which are necessary for the Company and/or beneficial to you or directly related to the purposes set forth above. Where the Laws on Personal Data Protection require your consent for any Processing of Personal Data, the Company will explicitly request the consent from you.
(2)	For other purposes that the Company will notify you of	• The Company will notify you of any other purposes that cause the Company to Process your Personal Data other than the purposes set forth above or when the Company changes the original purposes that were set forth. Where the Laws on Personal Data Protection require your consent for any Processing of Personal Data, the Company will explicitly request the consent from you.

4.2 Your Personal Data, which the Company will Process for the Purposes set forth in Clause 4.1 above that relate to the compliance with laws or contracts or are necessary for entering into contracts with you, is the data which is necessary for the achievement of the said Purposes. If you do not intend to provide such Personal Data to the Company, there may be legal implications or the Company may not be able to perform its duties pursuant to the contract which has been entered into with you or may not be able to

enter into a contract with you (as the case may be). In such event, it may be necessary for the Company to decline to enter into the contract with you or to cancel the sale and purchase or the provision of any relevant services to you, whether in whole or in part.

4.3 In the event that the Company will Process your Personal Data in a manner and/or for purposes which are not consistent with the Purposes set forth above, the Company will put in place additional policies or notifications for the protection of Personal Data and/or send a notice to you to provide explanations concerning such Processing of Personal Data. In this regard, you should review such additional policies or notifications in conjunction with this Privacy Notice (as the case may be).

5. Disclosure of Personal Data

5.1 The Company may disclose your Personal Data in accordance with the Purposes and the rules prescribed under the laws to the following entities and persons:

- (a) Siam Land Flying Company Limited, including executives, directors, staff, employees and/or relevant in-house personnel, and as necessary on a need-to-know basis for the Processing of your Personal Data.
- (b) Business partners, service providers, and data processors designated or hired by the Company to perform duties in connection with the management/Processing of Personal Data for the Company in the provision of various services, such as personnel's physical examinations by business partners, information technological services, data recording services, payment services, mailing services, delivery services, printing services, health services, insurance services, training services, data analysis services, research services, marketing services, or any other services which may be beneficial to you or relevant to the Company's business operations, such as commercial banks, hospitals, life insurance companies, and non-life insurance companies, etc.
- (c) Advisors of the Company, such as legal advisors, lawyers, auditors, or any other internal and external experts of the Company, etc.
- (d) Relevant governmental agencies which have supervisory duties under the laws or which have requested the disclosure pursuant to their lawful powers or relevant to the legal process or which were granted permission pursuant to applicable laws, such as the Department of Labour Protection and Welfare, Department of Skill Development, Department of Empowerment of Persons with Disabilities, Social Security Office, Department of Provincial Administration, Department of Business Development, Department of Intellectual Property, Office of the Personal Data Protection Commission, Office of Trade Competition Commission, Royal Thai Police, Office of the Attorney General, court, and Legal Execution Department, etc.
- (e) Customers, vendors, contracting parties of the Company which you have contacted or are relevant to your duty or position, or any other person in similar manners
- (f) Any persons or other entities that you have given consent to disclose your Personal Data to, such as the disclosure of processed images of activities through various media platforms of the Company to the general public.

5.2 The disclosure of your Personal Data to third parties shall be in accordance with the Purposes or other purposes permitted by law, provided that if the law requires your consent to be provided, the Company will request your prior consent.

5.3 In the event that the Company discloses your Personal Data to third parties, the Company will put in place appropriate safeguards to protect the Personal Data that has been disclosed and to comply with the standards and duties relating to the protection of Personal Data as prescribed by the Laws on Personal Data Protection. Where the Company sends or transfers your Personal Data outside Thailand, the Company will ensure that the recipient country, the international organization or such overseas recipient has a sufficient standard for the protection of Personal Data. In some cases, the Company may request your consent for the transfer of your Personal Data outside Thailand, subject to the requirements under Laws on Personal Data Protection.

6. Retention Period

The Company will retain your Personal Data for the period necessary to fulfil the Purposes for which the Personal Data was Processed, whereby the retention period will vary depending on the Purposes for which such Personal Data was collected and Processed. The Company will retain Personal Data for the period prescribed under the applicable laws (if any) by considering the statute of limitations under the laws for any legal proceedings that may occur from or in relation to the documents or Personal Data collected by the Company and having regard to the Company's business practices and relevant business in relation to each category of Personal Data.

In this regard, the Company will retain your Personal Data for a period not exceeding 10 years, starting from the date your legal relations/transactions with the Company come to an end. However, the Company may retain your Personal Data for a longer period of such time prescribed if the laws permit or such retention of Personal Data is necessary for the establishment of the right of claim of the Company.

After the period of time set forth above has expired, the Company will delete or destroy such Personal Data from the storage or system of the Company and other persons providing services to the Company (if any) or anonymize your Personal Data, unless in the event that the Company can continue to retain such Personal Data as prescribed by the Laws on Personal Data Protection or other applicable laws. In this regard, for additional details regarding the retention period of your Personal Data, you can contact the Company by using the contact details set out in Clause 8 of this Privacy Notice.

7. Your Rights in relation to Personal Data

As the data subject, you have the following rights in relation to your Personal Data, subject to the rules, methods and conditions under the Laws on Personal Data Protection. In this regard, if you wish to make a request to exercise your rights, you can contact the Company by using the contact details set out in Clause 8 of this Privacy Notice.

7.1 Right of Access You have the right to access your Personal Data and may request that the Company provide you with a copy of such Personal Data in accordance with the requirements under the Laws on Personal Data Protection.

7.2 Right to Data Portability You have the right to obtain your Personal Data, including to request that your Personal Data is transmitted to another data controller or to you, except where it is technically unfeasible, in accordance with the requirements under the Laws on Personal Data Protection.

7.3 Right to Object You have the right to raise an objection to the Processing of your Personal Data in certain circumstances prescribed under the Laws on Personal Data Protection.

7.4 Right to Erasure You may request that the Company delete, destroy or anonymize your Personal Data in certain circumstances prescribed under the Laws on Personal Data Protection.

7.5 Right to Restriction You have the right to request that the Company restrict the Processing of your Personal Data in certain circumstances prescribed under the Laws on Personal Data Protection.

7.6 Right to Rectification You have the right to request that your Personal Data be rectified if the Personal Data is inaccurate, not up-to-date or incomplete, or may cause a misunderstanding.

7.7 Right to Withdraw Consent If the Company relies on your consent as the legal basis for Processing your Personal Data, you have the right to withdraw such consent which has been provided to the Company at any time.

7.8 Right to Lodge a Complaint If you have any concerns or questions about any aspect of the Company's practices in relation to your Personal Data, please contact the Company using the contact details set out in Clause 8 of this Privacy Notice. Where there is reason to believe that the Company is in breach of Laws on Personal Data Protection, you have the right to lodge a complaint to the expert committee appointed by the Personal Data Protection Committee in accordance with the rules and methods prescribed under the Laws on Personal Data Protection.

However, the Company reserves the right to consider your request to exercise your rights and act in accordance with the requirements under the Laws on Personal Data Protection.

8. How to Contact the Company
