

Privileged
**Privileged Private Flights to
 Definite Destinations**

Executive Wings owns one Hawker 850XP,
 one Hawker 800XP and two Super King Air 350
 which provide the most comfortable, enjoyable flight
 experience to meet the demands of business and
 personal needs

The Hawker flies non-stop to over 30 destinations across Asia such as Singapore, Mumbai, Shanghai, Hong Kong, Hanoi, Maldives and Bali. One-way or round-trip options can be arranged to accommodate from one passenger up to 8 passengers.

You may plan your own itinerary or request as many stops you need or fly direct to your destination.

Our schedules are highly flexible, which gives the advantage of spending the least amount of time away from the office and be home with your loved ones sooner than you thought possible.

Safety comes first

With Executive Wings, safety is of paramount importance. Safety on all flights is ensured by our highly experienced pilots and supported by first-rate ground maintenance crews. All personnel have undergone training according to the highest international standards and practices.

The advantage of travelling by a private charter flight becomes even more apparent when you consider the convenience. Unlike flying with commercial airlines, a charter flight gives you the luxury, speedy and private air transport.

On board, passengers on a charter flight enjoy the highest standards of comfort and style. Cabins are fully equipped with entertainment, relaxation, and refreshment facilities, all combined with first-class service and total privacy.
